
News from the Director

It's that time of year - we have celebrated with family, eaten way to much, and now it is time to reflect on the year that has just closed, what we have accomplished and what we want to accomplish in this new year. More than 40% of Americans make New Year's Resolutions, but only 8% of us are actually successful in achieving these resolutions. *What is different about those who actually achieve their resolutions? Specificity. A clear plan of action. So what is a "resolution"?* Continue reading Kathryn's letter [here](#).

Pendleton Place is thrilled to announce that we received \$229,913 from SYNNEK Share the Magic!

In total, more than \$1.5 million was raised to support four Upstate nonprofit organizations: A Child's Haven, Clement's Kindness, Make a Wish and Pendleton Place. Since 2011, SYNNEK Share the Magic has raised \$955,530 for Pendleton Place. This donation allows us to give the support and care to children and families in need. Thank you to everyone who attended the many community events and thank you SYNNEK Share the Magic for your support!

Volunteer Groups Needed

Do you and your friends love to paint? If so, we need your help! Smith House is working on sprucing up the bedrooms at Smith House where our teenage girls reside. To do this, we need people who are willing to show off their painting skills to help our residents! Do not worry, all the paint has been purchased. If your group is interested in helping, and older than 18, please [email](#) Elizabeth Stoffelen, our Communications and Events Coordinator!

As the holiday season comes to a close we would like to thank everyone who helped make Christmas a success for our children, teens, young adults and families. Your donations made a direct impact on our clients and we could not be more grateful. We want to wish everyone a happy New Year and we look forward to what 2017 might bring.

Our Mission is to keep children safe and support families in crisis through prevention, assessment, and intervention.

Our Vision is a community where children are safe, families are strong, and victims become whole again.
