

Help us Prevent Child Abuse

Imagine you are five years old again. Like most five-year-olds, you enjoy playing outside, riding your bike, or playing with Legos or Barbies. You are ready to start kindergarten and all that comes with that - the lunch box, the playground, the friends and teachers and, of course, the learning. Life is good and as it should be. Now meet

Nathan. Nathan, unlike most five-year-olds, isn't playing with toys and riding his bike. He isn't gearing up for kindergarten or making new friends. Nathan has been removed from the only family he knew and placed in another home with adults he has never met. To continue reading about Nathan, [click here.](#)

Volunteer Spotlight

We would like to thank Advent United Methodist Church for sending a group to volunteer at Pendleton Place in March for their March Mission Madness day. This group painted the Smith House study room and the girls' bedrooms. The girls are so excited about their bright new rooms! This group did an excellent painting job, and we

are grateful for groups like them who spend their Saturday giving back! Thank you, Advent!
