Background

Since 1975, Pendleton Place (PP) has been a place of safety and comfort for children and youth experiencing trauma. PP is committed to innovative approaches that will establish communities where children are safe, families are strong, and victims become whole again. We help children, youth, and families through a focus on residential adolescent and young adult care, supportive community services for at-risk families, an array of youth homelessness services, and comprehensive assessment for children and families involved with the child welfare system.

PP's Emergency Youth Shelter (EYS) provides a combination of shelter-based services to both children (under 18) and young adults (18-24) experiencing some form of homelessness and crisis. The EYS offers shelter, food, clothing, educational support, life skills training, and counseling services to runaway and homeless youth, under the age of 18, who have left home without permission of their parents or guardians; have been forced to leave their home; cannot live safely with a parent, legal guardian, or relative; have no other safe alternative living arrangement; or other homeless youth who might otherwise end up in contact with law enforcement or in the child welfare, mental health, or juvenile justice systems. The focus of the EYS for minors is enhancing outcomes in the areas of social and emotional well-being, permanent connections, education, employment, and stable housing. It is built upon the principles of Positive Youth Development (PYD) and trauma-informed care. The EYS also offers overnight shelter services for youth who are experiencing homelessness and need a safe, supportive place to sleep and connect to other services that will move them toward housing permanence.

Position Summary

Youth Care Specialists provide direct, trauma-informed care (“on the floor”) to EYS clients. Though we generally attempt to have the YCS work a consistent shift, the position may work various shifts (1st shift is 6 a.m. – 2p.m. ; 2nd shift is 2 p.m. – 10 p.m. ; and 3rd shift is 10 p.m. – 6 a.m.).

Youth Care Specialists will remain awake at all times and complete hourly (at a minimum) wellness checks on residents. Youth Care Specialists are responsible for attending regular trainings and monthly program meetings to support the goal of working in a team-oriented environment. Youth Care Specialists are required to complete a minimum of fourteen (14) hours of field-related training yearly provided on the job through Pendleton Place. Each Youth Care Specialist (YCS) is tasked with ensuring the comfort and safety of all clients at all times, and enforcing all policies and shelter guidelines. Preparing and serving meals and snacks is essential, and the YCS is encouraged to eat with shelter residents. For minor residents, the YCS also monitors educational activities, assists with daily routines, assists with screenings and intakes, and delivers services that enhance emotional, physical, and social well-being, including life skills training.

Any YCS may be asked to assist in efforts in acquiring and managing household supplies, including groceries, and they coordinate with a Lead YCS on menu/meal planning. Other shift duties and expectations may include social or recreational activities (i.e., holiday baking, playing games, watching movies with clients). The YCS may be scheduled to work weekdays and weekends as needed to meet the staffing needs of a 24-hour shelter staffing model.
